CANBERRA
APRIL 7-10, 2017

The Victorian 3D Society and the Sydney Stereo Camera Club alternately host the biennial Australian National Stereo Photography Convention. The first Convention was held in Canberra in 1967. Canberra's Telstra Tower on Black Mountain has been selected by the Sydney host club for our 50th Anniversary Convention from Friday 7th to Monday Morning 10th April, 2017.

The planning committee has organised a discount at the Premier Hotel and Apartments. Follow this link for an overview of the hotel: www.premierhotelcbr.com.au . Quote the Block Booking Code "GB107 Sydney Stereo Camera Club" to receive the discounted rates below. Their telephone number is: 1800 672 076 or 02 6253 3633. We suggest that those booking at the Premier Hotel and Apartments request a ground floor room as there are no lifts.

The Saturday full day coach tour will depart from the Premier Hotel and Apartments, 110 Benjamin Way, Belconnen.
