Chairman's Message

Thank you for participating in the 2024 Southern Cross Exhibition. This year, we received entries from 50 photographers spanning 11 different countries, marking a significant increase compared to previous years and the highest number of submissions since 2019. It's encouraging to witness the resurgence of interest in PSA exhibitions, approaching pre-COVID levels.

We welcomed two new entrants this year, alongside the return of several promising newcomers who achieved notable success in their inaugural exhibitions. The influx of both new and returning participants speaks volumes, and I extend my gratitude to all who have encouraged others to take part.

A gallery featuring all award-winning images has been published on the [SSCC website](#) and is also included in this catalog. In both cases the images are shown at reduced resolution as required by the PSA, however all accepted images have been assembled into two full-resolution videos. This exhibition recently premiered at the SSCC in-person meeting, and it was great to see these images in all their glory on the big screen. I'm looking forward to seeing them again when they are shown at the 28th Australian Stereo Convention in a few day's time. For those interested in viewing the exhibition at their local club, please ask your projectionist to contact me so we can make arrangements.

And finally, I want to extend a special thank you to our judges, Carlton Wright, Bob Price, and Stefan Hreszczuk for their commitment, their rigor, and their invaluable expertise in curating the exhibition's selection of images.
